Chef-Inspired Menu

This isn't your average bar food. At T-Shotz, we've worked tirelessly with our Executive Chef to design a food and drink menu worth talking about. Handcrafted entrees, cocktails and shareable favorites sourced from as many local food providers as possible. The menu at T-Shotz is much more than an afterthought. It's our passion.

The top level of T-Shotz provides an elevated eating experience with a diverse selection of fresh seafood, an oyster bar and a lounge area. We may be in the middle of America, but our seafood is fresh. Really fresh.
